Extraordinary Information

The long-awaited Guide arrived in 1990 with extraordinary information for humankind. If you utilize that information in your daily life, you will become **really lucky, successful, rich, healthy, and happy**. It works for everyone; it will work for you.

The Teacher Says...

*“On September 9, 1990 (4-10 MSD), during a most unexpected and unusual experience”, says the Teacher, “the prophesied Guide to peace & prosperity, justice & equity arrived on Planet Earth through me. I named the Guide **the Message of the Morning Star** because of the absolutely spectacular way in which he arrived. At that time and for 7 eventful years afterwards, I had NO idea that the date of arrival of the Guide, his nature, and even my identity, had been precisely prophesied over the previous forty thousand years. The information he brought to humankind is truly astonishing.”*

What You Must Do To Become Lucky...

To become **really lucky, successful, rich, healthy, and happy**, you must:

1. Do 8 Good Deeds everyday, and
2. Do NO evil deeds.

Good Deeds: What They Are

A Good Deed is something good you do to somebody else. Examples of Good Deeds are: Giving money to a beggar; giving good guidance to a child; doing the best work you can at your place of employment; helping someone; honoring your father and your mother; showing respect to everyone, particularly to those older than you; giving food to a hungry person; helping someone with a place to live; being polite; being nice and kind to every person; sharing your umbrella (when it rains) with someone who has none; giving

someone a ride in your car; giving clothes to other people; being nice and kind to plants and animals; showing unconditional love to everyone; giving money to people or to organizations; giving a gift to someone; saying hello to a perfect stranger; helping a tourist; etc. (Notice that “Good Deed” is always written with initial upper-case letters.)

As you can see:

- (a) The Good Deed must be done to somebody else, NOT to yourself;
- (b) Some Good Deeds are more important than others; and
- (c) The more important your Good Deed, the more Reward Points it earns you.

Evil deeds: What They Are

An evil deed is something bad you do to somebody else. Examples of evil deeds are: Taking what is not yours (i.e. stealing); killing ANY person intentionally (i.e. murder), even if that person is a condemned killer or criminal; intentionally destroying property; telling ANY lie; killing ANY animal intentionally or buying and eating parts of any animal killed intentionally - including fish and poultry; starting ANY violence; cheating anybody; gossiping; jumping a queue; spreading false rumors; holding ANY person in prison AFTER he or she has successfully taken the Class on the Message; revealing other people’s private information; being cruel; bullying people or groups of people; threatening others with violence; refusing to nurture your child; talking or playing music loudly in a public place or in a bus, train, or airplane; forcing or inducing anyone to change his or her religion; forcing or encouraging anyone to change his or her true national culture; suppressing ANY Nation’s desire to govern itself; denying a normal parent access to his or her child; being an unjust judge; maintaining a Book of Anger; holding ANY animal in a cage; etc. (Notice that “evil deed” is always written with initial lower-case letters.)

As you can see:

- (a) Some evil deeds are worse than others;
- (b) The WORST evil deed you can do is to intentionally kill ANY person, or to help someone else kill ANY person; and
- (c) The worse your evil deed, the more Punishment Points it earns you.

Why You Must Do Good Deeds & No evil deeds

1. The Guide (i.e. **the Message of the Morning Star**) has revealed that **the Source of all things** (also known as God, Allah, Karma, Nature, Jehovah, G-d, Yahweh, the Creator, the Father, Great Spirit, the Lord, plus more than a thousand other names) is absolutely Fair and Just and therefore **rewards you** for every Good Deed you do, and **punishes you** for every evil deed you do. The reward or punishment is ALWAYS in proportion to the importance of the deed.

2. Please note that when you do an evil deed, you receive Punishment Points **PLUS** the Reward Points you earned by doing Good Deeds are **CANCELLED** from your Reward Account. Always remember that.
3. Large numbers of Reward Points in your Reward Account will make you even **luckier, more successful, much richer, much healthier, and much happier**. There is **NO** limit.
4. Your evil deeds will bring you **guaranteed punishments** and make you **unlucky, unsuccessful, poor, and unhappy**. Your evil deeds ensure that your life will be full of heavy stress. Evil deeds are simply too expensive.

You Are Being Watched - Always

Do **NOT** think it is safe to do evil deeds if NO one can catch you. The Source of all things watches you at ALL times, 24 hours a day, 7 days a week. The Source therefore sees and notes everything you do, Good or evil. It is therefore absolutely impossible for ANY human being to hide anything, including your most secret thoughts. So don't even try.

YOU CAN TEST & VERIFY THE MESSAGE

*Know that YOU can test the Message in order to verify its power and validity, or reject it as false if it fails the test. The Teacher strongly encourages you to perform the test. Everyone who has ever tested the Message **knows** its power and validity, through that personal testing experience. The procedure for your own private and personal test of the Message is in the book titled *The Message of The Morning Star*, by the Teacher. In the meantime, we recommend that you do like the rest of us, who have already tested the Message, and try what the Teacher reveals in this WeMSA report. You will be amazed by the results.*

Begin Now! ... Why Wait?

Begin immediately to build your NEW **really lucky, successful, rich, and happy** life. **Just do at least 8 Good Deeds everyday and do NO evil deeds**. The Teacher says, "8 Good Deeds a day is the minimum; you should do more. I know you can, and I strongly encourage you to do so".

Your Religion Is Great

The Message of the Morning Star (i.e. the Guide) is cultural, NOT religious. And though it is not religious, it recognizes and respects your religion and recommends that you practise your religion diligently. In addition to practising your religion, the Guide recommends that you ALSO do Good Deeds and NO evil deeds. When you do, you will become **really lucky, successful, rich, healthy, and happy**.
